Job Description

The primary objective of the Students Providing Access, Resources, and Knowledge (SPARK) Peer Mentoring Program is to contribute to the advancement of first-year students by aiding in their academic, emotional, and social adjustments to college.

SPARK Mentees will be enrolled in a summer bridge program which will help them learn about the campus as well as explore what direction they would like to take in higher education.

Mentors will meet with mentees and will facilitate activities that help with adjusting to college life and exploring the various areas of the college as well as help them with personal development.

As a mentor, you will be a trusted guide and help new students during their first year by providing them assistance and helping them to eventually become independent.

*** PLEASE NOTE ***

Proficiency in another language is by no means required. However, it may be helpful when working with students where English isn't their first language.

SPARK Mentor Duties/Responsibilities

Have a positive and helpful attitude.

Inform and encourage mentees to attend campus activities (lectures, workshops, cultural, recreational).

Check in with mentees on a regular basis in-person, by phone, by email or other means.

Complete a contact log each month (required).

Attend scheduled mentoring sessions.

Attend program activities such as end of the semester get together, Welcome Day, etc.

Refer mentees to campus resources, as necessary.

Perform all duties assigned to the best of your ability.

(It's important to recognize that the mentor/mentee relationship is important and your participation in some activities is required.)

Important Dates 2022

Applications Accepted

April 4 to July 1 (by 12:30 pm)

Program applications will become available on April 4th at the Multicultural & Community Engagement Center and online at our website.

Individual Meetings

April 4 to July 1

Each applicant is required to meet virtually or in person with SPARK staff for a brief 30-minute meeting. The purpose of the meeting is to go over the roles, responsibilities, and expectations of the mentor. It's also an opportunity to meet potential mentors before final decisions are made. ***Individual meetings will be scheduled as applications are received.***

Application Decisions

Varies

Applicants will be informed of their application status within one week after your individual meeting.

Mentors Hired/Processed

July 1 to July 7

Mentors must go through a hiring process which must be completed before you can get paid.

Mentor Training-MANDATORY (In-person) - 10 am - 4 pm

Friday, July 8

Mentors must go through a 6-hour training required for the program. ***No exceptions.***

Summer Bridge/SPARK Mentoring Begins

Week of July 11

If you know you cannot participate in the MANDATORY training, please do not apply to the program as missing the training will result in termination from the mentor position and the program cannot replace terminated mentors.
