

*PRIME Advantage MPN Powered by Harbor Health Systems*  
**Medical Provider Network (MPN)**

A safe working environment is our number one priority. However, should an accident or injury occur we want to ensure that our employees receive prompt effective medical treatment. Our goal is to assist injured employees in making a full recovery and returning to their job as soon as possible.

Unless you have pre-designated your personal primary treating physician that meets the requirements of L.C. 4600 [must be your personal physician (MD or DO) who previously directed your medical care, retains your medical history and who agrees to treat you for a work related injury) *in writing* prior to your work related injury, all medical treatment must be provided by a physician or provider within the medical provider network. The attached "Complete Written Notification" will explain, in detail, all of your rights including how to change physicians, request a second and third opinion and how to gain access to a list of participating providers.

For all work-related injuries occurring on or after 6/15/05, medical treatment will be provided through the Medical Provider Network. For work related injuries that occur prior to 6/15/05 you will be notified, in writing, if your medical treatment will be transferred into the medical provider network.

The attached "Complete Written Notification" is being provided to you in compliance with state regulations. Please read the material carefully and contact Heidi Jenkins, Human Resources Specialist at ext. 5164 or AP Keenan should you have any questions.

By signing below you are acknowledging that you have received and read the "Complete Written Notification".
