Vice President, Human Resources

Sharlene Coleal
Vice President, Administrative Services

Carla Ruiz
Academic Counselor, Cultural Diversity Coordinator

Aarin Edwards, Lara Kartalian, Mirna Najera, Rita Zobayan
Name Readers

PAULINE MARIE CIPRIANO

2025-2026 STUDENT *of* DISTINCTION STUDENT COMMENCEMENT SPEAKER

Pauline Marie Cipriano has faced impostor syndrome for much of her life, often questioning whether she was capable of achieving her goals. Through perseverance and resilience, she has learned that growth comes from overcoming challenges and embracing new opportunities.

Raised in the Philippines, Pauline witnessed the sacrifices her parents made to provide a better future for their family. In 2017, she immigrated to the United States, where adapting to a new culture became a formative experience. In 2020, she joined the United States Navy, demonstrating an early commitment to service and personal growth.

After enrolling at Glendale Community College (GCC) in 2021, she faced significant personal hardship following the loss of her father in 2022. The experience affected her academic motivation and sense of direction, but she ultimately found

renewed purpose through her education and involvement on campus.

In Spring 2023, she joined GCC's Team Internship Program with The Boeing Company, which reignited her passion for engineering. Later that year, she became involved with Go Baby Go, a program that provides modified ride-on cars for children with disabilities. Through this work, she discovered the profound impact engineering can have on improving lives.

Pauline continued to build connections at GCC through her involvement in the Asian Pacific Islander Desi American (APIDA) learning community within Student Equity as well as the Filipino American Students Association (FASA). In her role as an executive officer in FASA, she helped foster an inclusive environment and contributed to the continued growth of one of the college's most active student organizations. In Fall 2025, she was selected to serve as a senator in the Associated Students of Glendale Community College (ASGCC), where she further developed her leadership skills and advocated for the needs of her fellow students.

Today, GCC recognizes Pauline as a Student of Distinction for the 2025–2026 academic year and congratulates her on her acceptance to multiple universities as a mechanical engineering major. Her journey reflects resilience, leadership, and a strong sense of community. Through every challenge and setback, she has grown stronger, using her experiences to uplift others and pursue a future dedicated to making a meaningful impact.

GCC High School Academies

GCC's Early College Academy Class of 2026

We are proud to present the fifth graduating class of the Early College Academy (ECA) from Herbert Hoover High School. These students are graduating with their high school diploma from Hoover High School as well as a California General Education Transfer Curriculum (Cal-GETC) certificate and/or an Associate Degree from Glendale Community College. Since joining the ECA in 10th grade, these students have completed a minimum of 45 college credits alongside their high school coursework. *GCC is extremely proud of our ECA Class of 2026!*

GCC's Cloud Computing & Computer Science Academy Class of 2026

Congratulations to the second graduating class of the Cloud Computing and Computer Science Academy at Glendale High School! This groundbreaking partnership between GUSD and GCCD has empowered students to earn college credit and complete coursework that prepares them for industry-recognized certifications in cutting-edge fields —all while completing high school. You are pioneers in a growing tech pathway, and your achievements have paved the way for future innovators. *Congratulations CCCS Academy, Class of 2026!*

2013	Julie Gamberg	2024	Sara Sadeghilar
2014	Steve Parker	2025	Juliann Wolfgram
2015	Emily Haraldson	2026	Laura Englund-Krusee
2016	Caroline DePiro		

Distinguished Faculty Award

With the Distinguished Faculty Award (DFA), the Academic Senate recognizes excellence in a professor's area of expertise including teaching, counseling, and work with students. It also considers good college "citizenship," such as contributions to college life outside the classroom or primary service area as secondary criteria. Candidates for the DFA must have been at the college for at least ten years. The Senate has tried to recognize a variety of people in a variety of areas and for a variety of efforts. The recipient list includes great lecturers, people who have reached out to their students in exceptional ways, and people who have developed tremendous programs. The DFA was first conferred in 1987.

William L. Parker Award

The award, in honor of William L. Parker, a philosophy professor to whom it was first bestowed, is awarded by the Academic Senate based on long service to GCC. Criteria include multiple areas such as academic, professional and community service; recognition by faculty, staff, students and administration; and that the recipient's contributions will have a lasting impact on the institution. The award was first presented in 1993.

Exceptional Adjunct Award

The Exceptional Adjunct Faculty Award (EAFA) is given for distinguished contributions to Glendale Community College in the recipient's discipline, or for contributions and accomplishments in other professional areas. The EAFA recipient serves as a role model for the rest of the adjunct faculty. The award was first conferred in 2006.

Vision

We are committed to building community and a sense of belonging for all. Through innovative and meaningful learning experiences, students enrich their lives, imagine their futures, achieve upward social and economic mobility, and contribute to a more inclusive, informed, and just society.

Mission

We empower students to transform their lives by achieving their economic, educational, career, and life goals through our instructional programs, student services, and community partnerships.
